Notice

No: GGDCK/Adm/2021/10

dated 27.08.2021.

UG Admission (Academic Session 2021-22)

The candidates who have applied for prospective admission in the different UG courses as offered by this college in the 1st Year (Academic Session 2021-22) are hereby notified that following the existing norms of admission, **special permission would be required from the Vidyasagar University for the applicants who have passed Higher Secondary (HS) Examination before 2019.** Without the special permission, the provisional admission of such candidates would be liable to be held cancelled and Vidyasagar University would not provide them with any scope for registration.

Such candidates are directed to apply for special permission in a plain paper giving their details and **specifically providing documentary evidence to establish the reason behind their delay in academic process/loss of academic years since passing out HS Examination.** They are directed to apply for special permission addressed to:

**The Secretary
Council for Undergraduate Studies.
Vidyasagar University, Paschim Medinipur**

through the Officer-in-Charge, GGDC, Keshiary.

In this regard they are directed to email their application and relevant documents to the email address: **ggdckadmission@gmail.com** on or before **30.08.2021 (05:00 PM)**. If the appeals from such applicants are not received through email within the abovementioned date and time, **the college authority would not consider their name in the final merit list for UG admission to the 1st Year (AY 2021-22).** *It may be further noted that mere application for special permission does not confirm granting of special permission and **the final decision on granting special permission is solely authorized by competent authority of the Vidyasagar University.***
