An awareness camp against drug abuse and illicit trafficking was celebrated at our college by the NSS volunteers. A rally was held in the college premises. An awareness meeting on this day was organized. This awareness programme was jointly conducted by the NSS Unit-1 and Dept. of health and family welfare, Office of the Chief Medical Officer of health, Paschim Medinipur. The students learned about drug abuse. In this programme a quiz competition was also held.

2. Swachh Bharat Programme 2022

Date of event	16/09/2022	No. of participants	50
---------------	------------	---------------------	----

Swachh Bharat Programme was celebrated on 16.09.2022 to promote Swachhta. Under this programme the students are invited to select a village of their choice and work with the village community for building a lasting system for improving the overall sanitation and hygiene in the village. In this regard NSS unit visited and adopted a village *Telipukur* under Kusumpur Gram Panchayat. The unit met all the villagers in this village and saw the sanitation systems, their drinking water systems, bathrooms, drains and the surrounding of their homes. The volunteers seen the sanitation systems and cleaned it properly. They also cleaned the drains, roadsides etc. Volunteers became aware about the importance of cleanliness and participated enthusiastically in cleaning the areas surrounding their vicinity.

3. Eye and Dental Care Camp, First Aid training

Date of event	12/10/2022	No. of participants	50
---------------	------------	---------------------	----

A unit of three doctors from Keshiary Block health centre visited the college at around 11:30 AM. Dr. Dhananjay Hansda (Dental Consultant), Dr. Jyotirmoy Bera (M.O. School Health, Keshiary Block), and Dr. Tarun Kumar Mandal (Eye Specialist) conducted health check-up of the students of the college and some local residents. They gave lectures on different ocular problems and other health issues. The students of the Unit participated in the interactive session. On successfully conducting the health camp the Unit was suspended for lunch. In the post lunch session the doctors enlightened the members about First Aid procedures. They thoroughly informed the participants about the probable health issues which can be taken care of through the presence of mind and a little care through First Aid procedures.

20. Awareness programme on Plastic free campaign

Date of event	23.11.2019	No. of participants	30
---------------	------------	---------------------	----

A program was organized by the NSS unit of GGDC, Keshiary on **23.11.2019**. The event commenced at 3.00 p.m. and went on till 4.30 p.m. The main motto of the program was to eradicate the use of plastic. There are about 30 students including the NSS volunteers participated in this event with enthusiasm. The NSS volunteers have taken an initiative to organize a program of plastic free around the campus. The volunteers will work in the span of 1.30 hours. The NSS volunteers cleaned the entire college campus and made campus free from plastic. They holding pluck cards and reaching all the shops nearby area of the college and made sure the rules and regulations about the usage of plastics are followed. Awareness was made on all the harmful effects of plastic on environment. Volunteers give all the details of the vendors and distributors of paper covers to shop keepers. They took great effort to seek success. The plastic collected was properly treated. The plastic free campus activity got a great support from the management too.

21. Awareness among local people about AIDS (02/12/2019)

Date of event	2.12.2019	No. of participants	80
---------------	-----------	---------------------	----

The NSS Unit of GGDC Keshiary had observed World AIDS Day on 2nd December (Monday) instead of 1st December (Sunday) at the college campus and campaign it in its neighbourhood. All the volunteers and students were assembled at the college campus in the morning with the Officer-in-Charge, programme officer and other members. Most of the participants were present at the venue. Dr. Sudipta Chakraborty, Officer-in-Charge, Dr Susanta Kumar Maity, the Programme Officer and Prof. Kalyanashis Bhattacharyya with the other members from among the faculty of the college addressed the students with brief introductory lectures on the significance of the occasion and thus officiate the event. There was a routine campus cleaning programme at the onset of the programme which was followed by the assembly and the brief introducing talks as is mentioned above. **A rally was conducted to aware people about the day and the disease. A street theatre on the social stigma in association with the fatal disease was staged by the student-members of the Unit.** The play artistically portrayed the plight of the AIDS patients in Indian society especially in the rural background like the locale of Govt. General Degree College, Keshiary which is disheartening and has to be addressed. The awareness campaign in the neighbouring villages was next in the curricula, while the students along with their teachers cum programme officers met and interacted with local people and conducted a canvassing programme on HIV and AIDS. They met the locals with questionnaire covering well known myths regarding AIDS and then explained the biological knowhow of the disease in simple terms and its necessary precautions. Dr. Sudipta Chakraborty, Officer-in-Charge and Dr. Maity were presented seminar lecture on the causes and prognosis of the disease. In their lecture Dr. Sudipta Chakraborty and Dr. Maity almost touched every known aspects of the deadly disease. At the end of his lecture Dr.Maity along with his deputies conducted a quiz competition for the students.

22. Awareness programme on Covid-19

Date of event	12/03/2020	No. of participants	30
---------------	------------	---------------------	----

As the humanity is facing its one of the worst situations ever since the end of the World War II due to the attack of a deadly virus namely the Novel Corona Virus or the Covid-19 people are made to stay indoors all over the world until one comes up with some permanent solution. Therefore, Government General Degree College at Keshiary is also closed due to the observance of nationwide lockdown as precautionary measure taken by the Government to combat the vicious virus-attack.

In the absence of regular physical classes the teachers and students are compelled to adhere to an alternative way to pursue each other's academic imperatives either through the online classes or through the circulation of digital materials using social media platforms. However, Keshiary being a relatively remote place in the district of West Midnapore, is lagging in every aspects of a modern life. And this shifting of academic platform from physical to virtual is a bit of a challenge for them, therefore, thin attendance of pupils are seen.

The NSS unit of the college is facing similar constrictions in the deliverance of service at the local areas when the students are asked to engage in some social activities. But it is extremely crucial for them to bring awareness to their localities where a large amount of people are illiterate, poor and socially backward. Cities are under a regular administrative and media cover and hence, are exposed to the world of information and facilities but the villages in our country are far from all modern amenities and exposure which make them extremely vulnerable. But villages are the places we get our foods from, therefore, today it is extremely important to keep Corona infection at bay from the rural areas. Accordingly, the NSS unit of GGDC, Keshiary is asking the members to spread awareness among the locals in their respective neighbourhood. They are being instructed to illustrate posters in simple local language and exhibit them to the people in the market. They are instructed to convey to their neighbours about the use of face masks, gloves, hand soaps and sanitizers. It is to be made known to everyone to keep minimum one-meter distance from each other. While the government is doing its job the NSS unit cannot ignore its responsibility to do its bit in spreading awareness among the commoners.

The teacher members of the NSS unit are taking snapshots of their family members using alcohol based hand sanitizer (mentioning the adequate percentage of the quantity of alcohol), washing hands with soap for 20 seconds at least and wearing proper masks while stepping out of the house. Then these photographs are being circulated among the student-members of the Unit for demonstration.

24. Awareness camp on Blood grouping test

Date of event	14.08.2018	No. of participants	200
---------------	------------	---------------------	-----

The NSS Unit of the Government General Degree College, Keshiary has successfully organised a seminar and conducted a '**Blood Grouping Test**' campaign to 'know your blood group' on 14.08.2018 at 10 A.M. which continued for more than six hours. The members of the NSS Unit and all other faculty members of the college joined the campaign. The programme was inaugurated by Dr. Sudipta Chakraborty, Officer-in-Charge and Assistant Professor in Zoology followed by an excellent speech of Dr. Manidip Sasmal, Assistant Professor in Zoology and Prof. Aritra Samajdar, Assistant Professor in Anthropology with audio-visual presentation. The speakers tried to enlighten the students about the significance of **Blood Grouping Test** and how their participation can spread awareness in the society.

25. Tree Plantation Programme (20/08/2018)

Date of event	20.08.2018	No. of participants	80
---------------	------------	---------------------	----

The NSS Unit-I of this College unit wishes to join the novel endeavour of tree plantation programme by planting saplings of various plants (flowering, medicinal, timber yielding plants, horticultural plants etc.) within the College campus on 20/08/2018. In this glorious programme teaching and non-teaching staffs of GGDC, Keshiary were participated and helped to craft successfully completion of this programme. The plantlets were planted near the side of our college boundary and side of college main building.

26. Legal Awareness Programme

Date of event	25.10.2018	No. of participants	80
---------------	------------	---------------------	----

The NSS unit of the college along with the participants from the neighbouring villages had the opportunity to participate in the Legal Awareness Programme which was held in the camp. Learned advocate from the High Court, Calcutta, Mr Amarnath Sukul was invited to conduct the said programme. Mr Sukul presented a brief but holistic profile of the Indian Judicial System and talked about the varied career opportunities in the field of Law which the students can opt for after their graduation. After this lecture he discussed with the participants and the teachers about different reality based problems and their solutions. During this interactive session the participants had learned issues related to different civil, criminal and constitutional litigations. There were discussions on the RTI, consumer disputes, legal solution to bureaucratic and police harassments, corruption related grievance redressal, property related contracts and associated disputes, problems related to personal law such as succession rights and marital disputes, domestic violence and contemporary issues like the adultery law amendment and cyber-crime etc.

33. General awareness programme against dengue and chikungunya

Date of event	19/3/2019	No. of participants	44
---------------	-----------	---------------------	----

The NSS Unit of GGDC Keshiary had given an opportunity to conduct an awareness programme on **DENGUE and CHIKUNGUNYA**. In this regard a cleanliness Programme was also conducted on 19th March, 2019 at the college campus. All the volunteers and students were assembled at the college campus in the morning with the faculty members of this college. The Officer-in-Charge, Programme Officer with the other faculty members of the college addressed the students with brief introductory lectures on the significance of cleanliness in order to eradicate the mosquito borne diseases like DENGUE AND CHIKUNGUNYA. The leaflets bearing the information about the causal organism of the disease, its breeding grounds and disease symptomology along with preventive measures were distributed among the students. The students were also motivated to take away the lesson of cleanliness to their home so that they can make others aware about the disease and the ways of eradicating it.

A rally was conducted to aware people about the disease and keeping the area clean from stray pools which are the breeding ground of such disease bearing mosquitoes.

34. Awareness camp on Plastic pollution
